Accessibility Checklist

STRUCTURE

Are my headings organized in a hierarchical and logical way?

IMAGES

Have I added descriptive alternative texts to all my important images?

LINKS

Are my links explicit (avoiding 'click here' or 'learn more')?

CONTRASTS

Are my texts easily readable against their background?

MEDIAS

Have I provided alternatives (subtitles, transcripts) for my audio and video content?

NAVIGATION

Can one navigate through my page using only the keyboard?

LANGUAGE ☐

Is my content written in clear and accessible language?

FORMS ☐

Are the fields and instructions in my forms clearly identified?

FORMAT ☐

Is my content available in different forms if necessary?

TEST ☐

Have I tested my content with a basic accessibility tool?
